# KEOPS INTERLOCK ANDORRA & MONACO LODGES

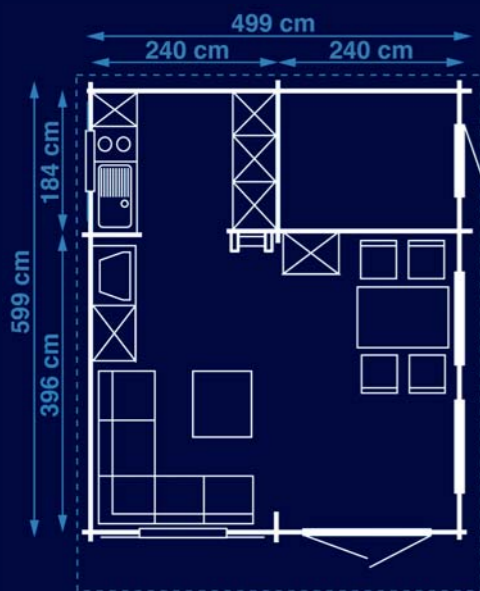

The Andorra and Monaco are very popular cabins for all kinds of use; fishing lodge, guest room, holiday retreat, studio, games room to name but a few. They share the usual high quality features of the Interlock tailor made cabins although they are produced in greater quantity batches and so are very competitively priced. Each cabin has three rooms downstairs and a loft area that covers the two smaller rooms. There are six cabin sizes to choose from.
